

Wednesday, 25 March 2020

Dear Parents and Guardians,

### **Lindisfarne Bus Services - Suspended**

It has been a positive start to our remote learning program today as we adapt to the unprecedented circumstances in our community.

Please note that due to a very small number of users, no Lindisfarne bus services will run from **Thursday, 26 March until the end of term.**

The bus charge will be credited back to Parent Accounts on a pro rata basis for the time in which the service is suspended.

The return journey this afternoon (Wednesday, 25 March) will be the last service run. This is for both our southern and northern bus services.

The **inter-campus service will continue** to operate, transporting students from the Mahers Lane campus to the Junior School until further notice.

We apologise for any difficulties this may create and thank you for your support during this difficult time.

Please email [bus@lindisfarne.nsw.edu.au](mailto:bus@lindisfarne.nsw.edu.au) if you have any questions or concerns.

Kind regards,

Stuart Marquardt  
Principal
