Mahers Lane News

Student Drop Off/Pick Up Area at Mahers Lane

There are two car park levels and a student car park at the Mahers Lane campus. For the safety of your children and others please follow these guidelines.

Before and after school the lower car park level is used for buses only. Parents, please do not park in or drive through this level before or after school – use the top level car park. With approximately 12 buses driving through this area of a morning and an afternoon, this should decrease the congestion.

The top car park level (where the shelter with seating is located) is designed as the student drop off and pick up area. To avoid congestion in this area we ask the following:

• Parents to move as far down the driveway as possible.
• Do not stop on the crossing or in the middle of the driveway – move to one side
• Do not stop or park in the allocated disabled car park

The car park on the adjoining block is for senior students’ parking. In the afternoon parents are often parking in this area to pick up their children at the same time as our senior students are trying to leave. We are concerned with the number of younger students running behind vehicles that are reversing in this area. The correct pick up area is in the top driveway.

Another area of concern is Mahers Lane itself. Please do not double park to collect students or do a U-turn across the double lines. For the safety of all please collect students from the top driveway.

Sunshine Avenue Campus Entry

The only access to and from the Sunshine Avenue campus school grounds is via the front gate near the Administration Office. Please note the gate leading from the adjacent car park will be locked from 8:15am each morning. Additionally, the bus gate will be locked from 8:15am until 3:00pm daily.

All visitors to the school are required to sign in at the front office.

School Uniform Requirements

Recently information reminding parents of the School’s uniform requirements was emailed to all families. In addition to this please note the regulations regarding students’ hair as outlined in the 2014 Parent and Student Guide:

- Girls’ hair is to be kept tidy at all times and clear of the face
- Boys’ hair should always be neat and tidy in appearance and clear of the collar
- Boys or girls hair should not come over the eyes at any time
- Shoulder length hair for girls is to be tied back with either a school navy blue ribbon, navy headband, navy blue or tartan scrunchie
- Only conventional cuts are allowed. No outlandish styles or unnatural colouring is permitted

It has been noted that some students’ hair does not meet the above requirements. I ask that parents of these children address this issue promptly.

Chapel News
Welcome back to week one, 2014 academic year. What happened to the holidays? I remember waiting for them with great expectation and, almost in the blink of an eye, they are over. Oh well, 2014 is going to be a great year of learning and discovery, and let's jump into it with the same expectation we do when we go on holidays.

This year the Chapel has received a small makeover, courtesy of those who attend the Sunday Chapel and the primary families who attended the Stage Chapels. Funds given have been used to purchase new banners, a new colourful altar cloth and a special sanctuary lamp. Over the next couple of weeks a new powerpoint projector will be installed as well as a hot water system for the 'kitchen' to ensure that all items used in Holy Communion are squeaky clean. These have been provided by the School. Thank you.

A number of things for your information:

2014 Silent Retreats for Year 9 and above
• 13-16 April
• 27-30 June
Invitations will be sent early in this term for the first retreat.

First Communion
For Year 6 and Year 7 students, a letter will be sent notifying you of the date for this service and the dates of the classes. As our school is an Anglican school and Holy Communion is the central service of the Anglican Church, I would encourage you to ensure your children participate in this process to ensure that they are able to share in this very important sacrament.

Confirmation
For Year 8 to Year 12, Confirmation will be held later in Term 3. Confirmation is that time when people of all ages confirm their relationship with the Church and is a key rite of passage in the Anglican community. As above, I would encourage you to discuss this with your children and to encourage them to participate. More information later this term.

House Chapels
This year we are introducing House Chapels in the Senior School. Last year we introduced stage chapels in the Primary School with great success. They were wonderful times of celebration, community and just good old fashioned community worship. Each house will participate in a chapel service, one house a term, to celebrate who they are, who their patron Saint was and how their values influence our lives today. Information will go out shortly to the first house. We would encourage you to attend and to join in this activity with your students.

The dates are as follows and the service will commence at 6:30pm:
• Saint Stephen Wednesday 19 March
• Saint Barnabas Wednesday 4 June
• Saint Cuthbert Wednesday 6 August
• Saint Andrew Wednesday 22 October

Weekly Chapel Program:
A number of services and periods of meditation are held each week. These are open to parents to attend and participate in along with staff and students. It would be great if you were able to attend one or more as time provides:

Commemorating our World War 1 Fallen

During 2014-18, centenary commemorative activities are planned throughout the world to acknowledge the service and sacrifice of those who served in the 1914-1918 Great War.

In November 2013, I accompanied twelve New South Wales students, selected for the Premier’s ANZAC Memorial Scholarship, as we toured the World War 1 battlefields and places of commemoration in France, Belgium and England.

Over 400,000 young Australian men enlisted to serve in World War 1. At Gallipoli during 1915, the ANZACs lost 12,000 men. On the European Western Front battlefields, 46,000 Australians lost their lives during 1916-18. Many have no known grave.

Each of the 12 students and 2 teaching staff were selected for their love of history and involvement in the commemoration of the ANZAC tradition in their local school and community. They were accompanied by two representatives from the NSW Returned and Services League and led by a representative of the NSW Department of Veterans Affairs.

In his farewell address to the ANZAC Scholars at the ANZAC Memorial in Hyde Park Sydney, General Peter Cosgrove said that “it was not only the sacrifice of those who served but also that of the families and communities left behind. It is now the role of the younger generation to carry this spirit of remembrance forward”, he said.

During the tour, it was an honour for me to commemorate the WW1 forbears of the Ayers, Inksetter, Mountford and White families at the commemorative wall or grave where they lay.

In leading up to ANZAC Day this year, in each upcoming newsletter this term there will be an excerpt from a video diary that I made whilst on tour. I’m hoping that you will find this commemorative journey of interest. This fortnight, click here to read article published in the Daily News on January 4, 2014.

The Premier’s ANZAC Memorial Scholarship is an initiative of the NSW Office of Communities and is managed by the NSW Department of Education and Communities.

There may be other sports your child excels in that are also on the CIS Calendar. Please visit the CIS Sport website/sport to find out details. You will not be able to nominate your child yourself, but I will be happy to do this. Please let me know ASAP the sport you are interested in as there will be additional information I will require from you.

A letter detailing the sport choices for Term 1 was emailed in the holidays. If you did not receive a copy, please let me know. All students have been able to collect a hard copy from Student Administration this week, so everyone should be able to log-in and make their selections this weekend.

Please inform me of any sport successes your children have outside of the School system. I will enjoy sharing such great news with the Lindisfarne community and publishing articles and photographs in the newsletters. However, only School-based sports achievements will be celebrated at the Sports Assembly at the end of the year.

Terms of Enrolment

1. Accounts need to be paid promptly by the invoiced due date. If you have any problems paying accounts please contact the instrumental teacher immediately to make alternative arrangements.

2. Failure to pay accounts by the due date will result in withdrawal from lessons.

3. If your child is ill, a phone call to their instrumental teacher prior to the lesson will allow for them to rearrange their timetable and make-up your child’s lesson.

4. If your child is unable to attend a lesson because of a class test or excursion, notification will also need to be given prior to the lesson so that an alternative time can be arranged.

5. **Any lessons missed without prior notification will be forfeited.**

6. Four weeks’ notice in writing to the instrumental teacher is required if you no longer wish for your child to continue lessons. It is usually not possible to reimburse unwanted lessons.

Whilst your child receives lessons on the school premises it is important to note that the arrangement you make with the instrumental teacher is a private one. Therefore any enquiries you have regarding lessons times, fees and your child’s progress should be made directly to the instrumental teacher.
