**New Coach**

The Lindisfarne community is constantly growing. With this in mind, the School is excited to announce that we have added a luxury, custom built, fifty-seven seat coach to our expanding fleet of vehicles. During the holidays, the coach was delivered and adorned with photos of our students and the Lindisfarne logo to make it a truly memorable vision.

The new coach has been assigned to the southbound route for student pick up and drop off and already plenty of positive feedback has been received from members of the public. It is truly a spectacular representation of the School.

**Exceeding Standards of Excellence at Lindisfarne**

Lindisfarne Anglican Grammar School is thrilled to announce that in the recent assessment and rating of our service under the National Quality Framework, our Out of School Hours Care program has received a rating of “Exceeding” in the categories of Children’s Health and Safety and also Relationships with Children.

In determining the final ratings bestowed on the Out of School Hours Care program, the NSW Department of Education & Communities undertakes a rigorous assessment of the quality of our program against the National Quality Standard for Early Childhood Education and Care and School Age Care.

We would like to take this opportunity to acknowledge the efforts of management, educators, staff and all others involved in making our Out of School Hours Care program as fantastic as possible and thank them for their tireless effort and enthusiasm.

**New Parent Events**

School Rules
At Lindisfarne we have four simple school rules. They are:

1. Be safe
2. Work hard
3. Be in the right place at the right time
4. RESPECT yourself, your belongings, others and their belongings

We have had an absolutely outstanding start to our year. Students and staff are warmly welcomed to enjoy a brilliant 2015 at Lindisfarne Anglican Grammar School.

Mahers Lane News
Student Drop Off/Pick Up Area at Mahers Lane

There are two car park levels and a student car park at the Mahers Lane campus. For the safety of your children and others please follow these guidelines.

Before and after school the lower car park level is used for buses only. Parents, please do not park in or drive through this level before or after school – use the top level car park. With approximately 12 buses driving through this area of a morning and afternoon, this should decrease the congestion.

The top car park level (where the shelter with seating is located) is designed as the student drop off and pick up area. To avoid congestion in this area we ask the following:

• Parents to move as far along the top pick up area as possible.
• Do not stop on the crossing or in the middle of the road – move to one side
• Do not stop or park in the allocated disabled car park

The car park on the adjoining block is for senior students’ parking. In the afternoon parents are often parking in this area to pick up their children at the same time as our senior students are trying to leave. We are concerned with the number of younger students running behind vehicles that are reversing in this area. The correct pick up area is in the top driveway of the main school block.

Another area of concern is Mahers Lane itself. Please do not double park to collect students or do a U-turn across the double lines. For the safety of all please collect students from the top driveway.

Sports Uniform
All students in Years 7 to 12 may wear their sports uniform to and from school on Thursday. PE students are to wear their normal day uniform on their PE practical days and are to change for their PE periods at school.

Surfside Buslines
If you require information as to which bus your child should be catching to school, please visit the Surfside website on: http://www.surfside.com.au/sit_school_services_DB.htm

To navigate to the school information section, choose the School Services tab on the Surfside website and then click on the cartoon school bus halfway down the page (not the icons at the bottom of the page).

Noelene Wright, Assistant Principal - Head of Secondary
Welcome to our new and continuing students and their families. It is a pleasure to have you with us.

In Year 7 and 8, students will commence study of either Geography or History, swapping subject and teacher at the end of the semester.

Year 9 and 10 students will study both Geography and History concurrently.

This Faculty’s senior subject mix includes Business Studies, Economics, Geography, Legal Studies and Studies of Religion.

‘We will remember them’

To commemorate the service and sacrifice of our Defence Force personnel, in this the one hundredth anniversary year of the Gallipoli campaign, the Senior School newsletter will feature a regular column recounting interesting World War 1 events. We start this issue.

In Europe, simmering tensions over trade routes and control of land during the early 1900’s escalated when the heir to the Austro-Hungarian throne, Archduke Ferdinand and his wife were assassinated on June 28, 1914. Serbia was opposed to the German/ Austro-Hungarian Empire and was blamed. Russia was a supporter of Serbia and an ally of Britain and France. Treaties amongst countries soon saw Britain join the war in defence of Belgium, through which Germany needed access to invade France. England declared war on Germany on 4 August 1914. Australia, a former British colony, enthusiastically joined the war effort in support of Britain.

Bryson Coverdale, Director of Human Society and Its Environment.

Mathematics Faculty

Welcome back to a new year of Mathematics. We welcome Jonathan Dwyer, Mary-Ellen Jackman and Melinda Thompson to our teaching team this term. We encourage you to send your students to one of our Mathematics clubs which are held mostly after school.

Maths Online

Letters will be sent out to parents of Senior School students in the next week informing you of the offer for Maths Online. The cost of the program is significantly cheaper through the school than through the Math Online website and is recommended for all age levels.

Manga Math and HotMaths

We would like to utilise Manga Math as an extra resource in Years 7 and 8 and HotMaths as extra resources in Year 11 and 12 General Mathematics. Letters will be sent out to the relevant parents shortly.

NAPLAN

Parents of Years 7 and 9 students are encouraged to spend time with their students revising NAPLAN questions leading up to the NAPLAN test in May.

Jo Spring, Director of Mathematics

Primary News

I extend a warm welcome to all our families, new and returning, for the 2015 school year. The first day of the school year is always fraught with emotion and it was very heartening to see so many happy and enthusiastic students, parents and staff today.

I am excited for the opportunities that await your children this year and the teachers have been working hard this past week preparing for the coming school year.

The Primary staff are committed to working collaboratively with families and we are counting on each and every parent to partner with us to support the social, emotional and academic growth of all our students. To assist with this partnership, you are invited to attend class Parent Information Sessions early next week.

The meetings will be an opportunity for the teachers to share information regarding classroom routines, Year level goals and expectations. If you wish to communicate to the teacher, information specific to your child, please make an alternative time to do so.

Monday 2 February Stage 1 (Years 1 and 2) 6:00pm
Stage 2 (Years 3 and 4) 6.30pm
Tuesday 3 February Stage 3 (Years 5 and 6) 6:00pm

Each of the Parent Information Sessions will commence with a presentation in the assembly area (Sunshine Avenue) and

Congratulations

Congratulations to Isabella Murray-Daff, Year 5, who won the St.George Rookies2Reds Colour-in Competition! Isabella will receive a signed Reds jersey for her efforts.
the Lecture Theatre (Mahers Lane) before moving to your child’s classroom. We ask that you do not bring children along to these Parent only sessions.

On behalf of all the staff I would like to thank you for entrusting us with your wonderful children and we look forward to your continuing support.

Michele Chandler, Assistant Principal - Head of Primary

Please email me for further information if you wish to consider any of the following CIS events this term:

There may be other sports your child excels in that are also on the CIS Calendar. Please visit the CIS Sport website/sport to find out details. You will not be able to nominate your child yourself, but I will be happy to do this. Please let me know ASAP the sport you are interested in as there will be additional information I will require from you.

A letter detailing the sport choices for Term 1 was emailed in the holidays. If you did not receive a copy, please let me know. All students have been able to collect a hard copy from Student Admin this week, so everyone should be able to log-in and make their selections when they open on Monday 2 February at 5pm.

Please inform me of any sport successes your children have outside of the School system. I will enjoy sharing such great news with the Lindisfarne community and publishing articles and photographs in the newsletters. However, only School-based sports achievements will be celebrated at the Sports Assembly at the end of the year.

After School Soccer Program

Total Football Academy will be running an after School soccer program during Term 1 at Arkinstall Park. The program is for Preschool to Year 4 students. Registration forms will be distributed during a free demonstration at Lindisfarne Grammar Anglican Grammar School - Sunshine Avenue campus on Friday 6 February, 2015.

During the 6 week program games will be played inside an inflatable soccer field, which captures the imagination of students, giving them a great soccer experience. Training will take place inside a skills square focusing on different skills each week, such as dribbling, turning and shooting. As part of the program players can also purchase a soccer kit (Top and Shorts). The program starts on Friday 13 February, 3:20pm - 4:20pm. To sign up online visit www.totalfootballacademy.com.au or call Andy Robinson on 0413 888 643.

Find us on Facebook for wet weather information and special offers.
