

LINDISFARNE

Anglican Grammar School

Year 5 Band Program

LINDISFARNE

Anglican Grammar School

Welcome to the Year 5 Band Program at Lindisfarne Anglican Grammar School. The concentration and application required in the learning of an instrument have been shown to enhance a student's academic ability in a wide range of key learning areas. In Year 5, all students are given the opportunity to:

- Continue with a woodwind or brass instrument from our Year 4 Program.
- Start a new woodwind or brass instrument.
- Audition for our extension Strings or Classical Guitar ensemble.

This gives our students practical instrumental skills whilst learning first hand the value of playing in an ensemble, following a conductor and reading from a common score.

This program does not take the place of a student's involvement in the co-curricular Music program, but rather introduces all students to the academic and social benefits of learning an instrument. Students who are already learning an instrument are encouraged to continue their current studies and to choose an instrument that complements their musical interests.

Students are also encouraged to participate in other musical activities offered at Lindisfarne and depending on ability may be offered a place in the Middle School and Senior School orchestras, Stage Band and other ensembles.

Program Overview

The Year 5 Band Program is an exciting and practical way of learning about music. Lessons take place during classroom music lessons. Each student is allocated an instrument and tutor book for the year. A \$50 levy is included in each term's school fee account.

It is an expectation that students consider the acquisition of instrumental skills an important part of their homework obligation. Parents are asked to support the program by providing students with any consumables, encouragement and a quiet area to practise.

Music Lessons

Each week, all Music ensembles will have the opportunity to rehearse within a two-hour timetabled Year 5 Band Program block. This rehearsal block will also include music theory, mass choir and instrumental tuition sessions.

For the safety of the instrument and to alleviate storage problems, instruments should only be brought to school for these rehearsal sessions. The instrument is to be stored in the classroom until the timetabled lesson and should be taken home that afternoon for practise during the week.

Optional Private Lessons

Students may attend additional private lessons, either at school with visiting instrumental teachers or by private arrangement outside of school. These 30-minute lessons are not compulsory and are offered at school at an additional cost of \$45 per lesson.

Please note: parents are billed directly by the instrumental teacher for private instrumental lessons.

Bookings for private lessons open at the start of the year. The booking link is emailed directly to parents.

All private lessons held during school time are on a rotating schedule and timetables are emailed to parents/students and displayed on the music room screen. Parents are encouraged to maintain regular contact with the instrumental teacher.

Participation in private lessons is conditional upon the prompt payment of the fee account directly to the music teacher. Where a student is unable to attend a lesson, teachers must be given as much notice as possible (at least 24 hours) as this allows for an alternate lesson to be arranged. Without due notice, teachers are not obliged to make up the missed lesson.

Instruments and Equipment

Selection of Instruments

Instrument selection will be negotiated between student and teachers. Students are encouraged to observe and discuss the roles, sounds, sizes and characteristics of each instrument in order to make an informed choice. Students will have the opportunity to try out the various instruments prior to formalising their selection.

Students learn best when they have a keen interest in an instrument and every effort is made to provide them with their first preference. It is important to consider that each instrumental section has a set number of members per ensemble in order to maintain appropriate band colour and balance. This means that the final allocation of instruments will need to be made by the class teacher.

Ensembles for 2023

The proposed ensembles for our band program in 2022 are:

- Wind Orchestra
 - Flute, Clarinet, Alto Saxophone, Saxophone, Trumpet, French Horn, Trombone, Euphonium
- Concert Band A and B
 - Flute, Clarinet, Alto Saxophone, Saxophone, Trumpet, French Horn, Trombone, Euphonium
- String Ensemble
 - Violin, Viola, Cello, Double Bass, Piano
- Classical Guitar Ensemble
 - Acoustic Classical Guitar

Students already learning an instrument

For those students who are already learning an instrument, they may continue playing their chosen instrument in the Year 4 Band Program or take up a second instrument in consultation with the classroom teacher.

Equipment Requirements

In order for your child to participate and gain the maximum benefits of the Year 5 Band Program, they will need the following materials and equipment. All items listed are available at all good music stores. For advice or further assistance please contact your child's class teacher.

Equipment provided by the School:

- Loan instrument for duration of program.
- *Tradition of Excellence* tutor book and/or sheet music.

Equipment to be provided by parents:

- Flute: Cleaning cloth.
- Clarinet/Saxophone: Spare reeds, cleaning cloth/drop cloth.
- Trumpet: Cleaning cloth.
- French Horn: Cleaning cloth.
- Trombone: Cleaning cloth and small water spray bottle.
- Euphonium: Cleaning cloth.
- Classical Guitar — replacement strings when required.
- Strings — replacement strings when required.

Commitment

Parent Commitment

Bringing home an instrument to practise can provide other family members with great opportunities to share in the learning process. Playing along on another instrument, providing positive feedback or simply listening with enjoyment are all great ways to positively reinforce your child's new skills.

Parents are asked to support the program by providing:

- Encouragement.
- A quiet area in which to practise, preferably with a music stand.
- A safe place to keep the instrument at home.
- A supply of reeds, cork grease and any other consumables for their instrument.
- Regular contact with the class teacher regarding the student's progress (either by phone, email or practise diary).

Student Commitment

Students are expected to make the most of their time in the Band Program by:

- Practising regularly; smaller regular practise sessions are more beneficial. Usually 15 minutes several times a week is recommended for beginner instrumentalists. This will probably increase during the year.
- Ensuring they arrive at each lesson fully prepared and equipped.
- Caring for their instrument, using the correct equipment and techniques (consult either the tutor book, class teacher or instrumental teacher).
- Ensuring any damage is reported to the School immediately.
- Participating in all tuition and classroom music activities with enthusiasm.

Fees and Conditions

Levy

While instruments and books are provided free of charge, a small levy is charged to each student in Year 5 to cover some of the ongoing costs involved in running the Band Program. These costs include purchase and upkeep of band books and music, maintenance of instruments, accompanist fees for concerts and the purchase of auxiliary percussion instruments.

Year 5 Band levy fees for 2023 are \$52.50 for each term, totalling \$210 per year.

For further information regarding the hiring or purchase of instruments, please contact your child's teacher or the Performing Arts Department via performingarts@lindisfarne.nsw.edu.au.

Loan Agreement Information

Instruments within the Hire Scheme include flute, clarinet, alto and tenor saxophone, trumpet, trombone and euphonium. The duration of the Year 5 Band Program is four terms and the Instrument Hire Scheme loans apply for the same period.

The loan is subject to the following conditions:

- All instruments supplied by the Hire Scheme remain the property of Lindisfarne Anglican Grammar School and must be returned to the School when the student leaves the program.
- The instrument is to be returned, upon request at any time for inspection, repair and adjustment or for any other cause.
- The instrument is to be used by the student to whom it is loaned and by no other person.
- Every care and attention must be given to the instrument during the period of the loan. In the event of loss or damage, the matter must be reported to the School immediately.
- Parents/guardians will be responsible for the maintenance and safekeeping of any instrument hired by their children. Therefore, parents/guardians will be solely responsible for any cost incurred for damage or replacement of lost instruments. Please check with your own insurers as these risks may be able to be minimised through existing personal Home Contents Insurance.

Please note: a Google Form with the Loan Agreement and Instrument Preference will be emailed to families prior to the commencement of the school year.

Please contact the Performing Arts Department via performingarts@lindisfarne.nsw.edu.au or on 07 5590 5099 if you require further information.
