

## Grievance Policy- Parents

---

### **1 OVERVIEW**

- 1.1 Lindisfarne Anglican Grammar School is committed to ensuring a safe and healthy environment characterised by tolerance and support; and which also respects differing learning styles and celebrates student achievements.
- 1.2 Part of this commitment involves ensuring the parent body has access to processes that allow for grievances to be managed appropriately, promptly and fairly. The School is a working community and occasionally concerns, grievances, disputes or allegations of inappropriate or illegal behaviour arise.
- 1.3 This policy provides clear and transparent information about how a parent can raise grievances about the School, staff conduct, a student's education and/or student wellbeing, and about how such grievances will be managed and resolved.
- 1.4 The School takes all complaints and concerns received from a parent seriously. Our aim is to ensure that grievances are handled objectively and with sensitivity. In doing so, we will seek to identify both the specific and (where applicable) systemic issues raised by a grievance (thereby enabling future improvements to be identified and implemented).

### **2 SCOPE**

- 2.1 This policy applies to all School Council members, staff, contractors, volunteers, visitors, parents/guardians, students and other members of the School community.
- 2.2 This policy does not apply to:
  - (a) Staff grievances, which should be raised in accordance with the School's Grievance Policy - Staff.
  - (b) Concerns about child abuse, reportable conduct and student safety, which will be addressed in accordance with the Child Protection Policy and the Safe and Supportive Environment Policy.
  - (c) Legal matters, including requests for compensation, payment and redress.
- 2.3 To the extent that there are any inconsistencies between this policy and the School's other grievance policies, and appendices, other than the Child Protection Policy, this policy shall prevail.

### 3 GUIDING PRINCIPLES

- 3.1 When raising a grievance with the School, a member of the parent body can expect to:
- (a) Be treated with respect and courtesy.
  - (b) Have their grievance taken seriously, considered impartially (with consideration of any power imbalances), and dealt with on the merits.
  - (c) Have their grievance dealt with in a sensitive and timely manner.
  - (d) Have access to appropriate and easily understandable information regarding the grievance resolution process being followed by the School (including this policy).
  - (e) Be supported by the School during the grievance handling process, with a focus on maintaining the emotional wellbeing of any students involved.
  - (f) Be kept informed of the progress and outcome of the grievance.
  - (g) Not be victimised, or subjected to reprisal, for raising grievances in good faith.
- 3.2 In return, the School expects that a member of the parent body who raises a grievance will:
- (a) Treat others (including members of the School Leadership Team, School staff, students and parents, both former and present) with respect and courtesy.
  - (b) Raise grievances in the appropriate forum, having regard to the below framework, and as soon as possible after the event giving rise to the grievance has occurred.
  - (c) Provide complete and factual information about the grievance.
  - (d) Ask for assistance or further information as needed.
  - (e) Act in good faith to achieve a reasonable outcome.
  - (f) Be understanding and accepting of any outcome reached, being mindful that the School must sometimes manage the interests of a number of students and other individuals when making decisions, and may be privy to confidential information not known to the person raising the grievance.
- 3.3 Our aim is for the prompt resolution of concerns, ideally without there being a need for a formal complaint to be made. As the School Council appoints the Principal to manage the day-to-day operations of the School, a review by the Chair of School Council should be a last resort.
- 3.4 Timeframes listed in this policy are only a guide, and can vary due to the nature of the grievance and surrounding circumstances. Where timeframes set out in this policy cannot be met, the School will strive to communicate with the affected parties about the status of the grievance, and the steps taken (or to be taken) to progress a resolution.

3.5 Please note the processes outlined in this policy are intended to be conciliatory, non-adversarial and non-legal.

## FRAMEWORK

3.6 The School's framework for dealing with grievances involves a three-step process, namely:

- (a) **Stage 1** - A concern is raised with the School.
- (b) **Stage 2** - The concern is escalated to the Deputy Principal.
- (c) **Stage 3** - A formal written complaint is made to the Principal.
- (d) **Stage 4** - A review by the School Council Chair is requested.

3.7 Further details about these Stages are set out in **Schedule 1**.

3.8 Common considerations when the School is managing grievances are set out in **Schedule 2**.

## 4 RECOMMENDATIONS FOR INITIALLY RAISING CONCERNS (STAGE 1)

4.1 At first instance, you should raise your concerns directly with the School. The School must be aware of a concern and of its substance in order to address it.

4.2 The School believes that a concern is often best resolved closest to its source, and when a concern relates to a student, encourages concerns to be raised with the relevant classroom teacher in the first instance.

4.3 However, depending on the nature and severity of an issue, and whether the classroom teacher has a conflict of interest, concerns may instead be raised directly with a senior staff member (eg a Year Coordinator, Head of House, or another member of the School Leadership Team). For guidance on who to contact at this instance, refer below.

Nature of Grievance	Designated staff member		
	Prep to Year 4	Years 5 to 8	Years 9 to 12
Enrolment related matters	Director of Community Engagement		
Business operations or finance matters	Business Manager		
Student wellbeing matters	Assistant Head of Junior School	Year Coordinator	Head of House
Curriculum matters and teaching matters	Assistant Head of Junior School	Year Coordinator Years 5 -6 Director of Faculty Years 7-8	Director of Faculty

Staff related matters	Head of Junior School	Head of School	Head of School
School Executive member	Deputy Principal		
Deputy Principal	Principal		
Principal or a member of the School Council matters	Chair of School Council		

4.4 A student can directly raise concerns as outlined in the Grievance Policy - Students.

4.5 The following considerations are relevant prior to, and when, raising a concern:

- (A) Clearly identify the issue or problem prior to contacting the School.
- (B) Decide whether the issue or problem is in the nature of a complaint, concern, enquiry or suggestion. This will help in finding a solution.
- (C) Identify the party or parties involved.
- (D) Consider the practical outcome you are trying to achieve (while being realistic and open to other outcomes and solutions).
- (E) If there is more than one issue or problem, write a list so that you are adequately prepared and then decide which issue or problem matters most to you.
- (F) Consider whether there are any interim measures you would like the School to consider whilst it makes enquiries about the issue or problem.
- (G) Make an appointment to meet with the relevant staff member to discuss the concern - the best way to do this is to contact the Executive Assistant to the relevant Sub School to arrange a mutually convenient time for a telephone call or meeting. When contacting the School, please identify yourself and the student concerned, the subject of your concern, identify the person you would like to speak with, and provide a brief description of the issue you wish to speak about (for example 'homework', 'enrolment decision (including appeals)', 'wellbeing' or 'grounds maintenance').
- (H) Remain courteous and calm when conveying your concerns. The School is within its rights to terminate a conversation with the person raising the concern until such time that a courteous and calm conversation can continue.

## SCHEDULE 1

### Further details about the School's Grievances Resolution Procedure

Details		Comment
<b>Stage 1: Raise the concern</b>		
Step 1	Identify the concern	Clarify your concern: " <i>who, what, when, where, why, and how</i> ". Identify the outcome you are trying to achieve by raising your concern.
Step 2	Raise the concern	The School believes that a concern is often best resolved closest to its source and encourages concerns to be raised with the relevant classroom teacher in the first instance.  Depending on the nature and severity of an issue, and whether the classroom teacher has a conflict of interest, concerns may instead be raised directly with a senior staff member (e.g. a Director of Faculty, Year Coordinator, Head of House, or another member of the School Leadership Team). However, that senior staff member may decide to delegate responsibility for dealing with the concern to another appropriate staff member.
Step 3	Acknowledgement	Once a concern is raised, the School will record (either by way of an electronic file note or written correspondence) the details of the concern including your name and contact details.  The School's focus will be on understanding the nature of the problem, the party or parties involved, and the nature of any agreeable solutions.
Step 4	Outcome	Where an agreeable solution is available, this will usually be communicated in writing to you (being usually within three (3) business days of the outcome being reached).  Where a mutually agreed outcome between the School and the person raising the concern is not possible or appropriate, the staff member handling the concern will make a decision that best aligns with the School's procedures and legal obligations. This decision will be communicated in writing to you (being usually within three (3) business days of the outcome being reached), and the communication will be kept on the relevant student's (and if appropriate, staff member's) file.

	Details	Comment
<b>Stage 4 – Request a Review</b>		
Step 1	Request a review by the Board Chair	<p>If you are not satisfied that your formal written complaint has been adequately resolved by the Principal, you may request a review by writing to the Board Chair via the Business Manager's email at <a href="mailto:bdinsdale@lindisfarne.nsw.edu.au">bdinsdale@lindisfarne.nsw.edu.au</a> or by post at:</p> <p style="text-align: center;">The Chair Lindisfarne School Council PO Box 996 Banora Point, NSW 2486</p> <p>Members of the School community who raise grievances with other Board members will be directed to follow the procedures set out in this policy (eg raising a complaint with the Principal or requesting a review by writing to the Board Chair).</p> <p>Requests for review must be made in writing within ten (10) business days of the date the Principal communicated the outcome of your complaint in writing. The grounds for the review, and in particular any concerns you have with the way the relevant complaint was dealt with, must be clearly identified in the request for review.</p>
Step 2	Review	<p>Please note that in accordance with good governance, the Board entrusts the Principal with the day-to-day management of the School, and in particular its staff and students. The Principal is accorded significant discretion regarding such matters.</p> <p>Accordingly, any review of the Principal's decision under this policy will be confined to the Board Chair deciding whether there is evidence that the School's procedures have not been followed, in a way likely to have meaningfully influenced the Principal's</p>

		<p>decision, or that the Principal unreasonably exercised his or her discretion.</p> <p>The Board Chair may delegate parts of the review, or seek the assistance of third parties, however any ultimate decision will still be made by the Board Chair.</p> <p>For the avoidance of doubt, the Board Chair will not delegate to the Principal a review of a decision they have already made. However, if the Board Chair is satisfied that a complaint has not been properly raised (or dealt) with by the Principal (and the Principal does not otherwise have a conflict of interest), the Board Chair may refer the matter to the Principal to make an initial decision (not that decision would then create a right to request a review).</p>
Step 6	Outcome	<p>The Board Chair will aim to communicate the outcome of a request for review in writing within forty-five (45) business days where practicable.</p> <p>The Board Chair will promptly report any requests for review, and relevant outcomes, to the Board.</p>

## SCHEDULE 2

### RELEVANT CONSIDERATIONS

#### 1 WITHDRAWAL OF A GRIEVANCE

- 1.1 A grievance can be withdrawn at any stage during the processes outlined in this policy. A grievance can only be withdrawn by the person who made the complaint to the School.
- 1.2 Ideally, all grievances should be retracted in writing, however a dated notation on the School's systems, stating the grievance has been withdrawn verbally by the appropriate person can be made by a staff member at the School responsible for managing the grievance.
- 1.3 The School will notify affected parties if a grievance is withdrawn, where considered appropriate.
- 1.4 Regardless of a person's wish to withdraw a grievance, complaints that have disciplinary implications for a member of staff may still be followed up by the School.

#### 2 ANONYMOUS GRIEVANCES

- 2.1 The School is committed to dealing with grievances in accordance with the processes outlined in this policy. The School respects in some cases, complainants would prefer to remain anonymous and not put a name to their grievances.
- 2.2 The School treats grievances about the School, a staff member, a student's education, enrolment and/or a student's wellbeing with the utmost importance, and will investigate such grievances raised to the fullest extent practicable. However,

anonymity can make it difficult for the School to effectively resolve grievances (particularly where the School is being asked to accept an anonymous source's version of events) and are accordingly discouraged.

### **3 PREVIOUSLY ADDRESSED, STALE OR VEXATIOUS GRIEVANCES**

3.1 Grievances that have been previously addressed by the School or externally, or which were not raised with the School within a reasonable period of time (having regard to the nature of the relevant grievance), will not be considered in the absence of highly relevant new information and/or evidence coming to light.

3.2 The School does not tolerate vexatious grievances.

### **4 EXTERNAL GRIEVANCES AND REDRESS**

4.1 The School acknowledges that grievances relating to the School can also be made to an external body, or be the subject of legal action. However, the School encourages its community to raise any grievances, and work to resolve such matters, in accordance with the procedures outlined in this policy.

### **5 CONFIDENTIALITY**

5.1 Appropriate confidentiality will be maintained by the School at all times when dealing with a grievance, with information only being provided to those who have a right or need to know.

### **6 COMMUNICATION**

6.1 This policy is available to parents, students and the School community via the School's website. This policy (or aspects thereof) will also feature in communications sent directly to parents.
