## School Council

**2023**

Lindisfarne Anglican Grammar School Council convened six meetings throughout the 2023 school year. The six meetings were all ordinary meetings of the Council at approximately two-month intervals to review the performance and governance of the School.

The School Council continued to monitor the key operations, compliance and risk matters while at the same time planning for the strategic future developments of the School. The School Council has two sub committees that provide more granular review of operations and risk management and capital developments. The two sub committees are Finance and Risk Management and Capital Works Committee. Each of these sub committees meet prior to the School Council meetings and report directly to the School Council.

In 2023 the School Council continued to work with the Principal and the Senior Executive Team to implement the school Master Plan that encompasses both existing campuses and the adjoining properties at 34 and 72 Mahers Lane and 33-37 Sunshine Avenue and the Boathouse Aquatic Facility at Kingscliff.

Construction of the Early Learning Centre at Sunshine Avenue was completed to enable the students to occupy the buildings from Term 1 2023. On the Mahers Lane campus, the Development Application for the Senior Centre and Extension to the Trade Skills building was approved. Construction commenced in January 2024 on the site and encompasses both projects. The School is currently in the planning and design stage for an additional 11 General Classrooms and a new Science Building.

The additional Junior School campus at Mahers Lane is still in planning after a review of the planning in 2023. It is hoped to lodge a Development Application with the Tweed Council by mid 2024.

In 2023 the school continued to develop its strong academic focus highlighting student achievements and quality teaching along with a wide range of extra-curricular activities. Student Academic performance continues to improve. Enrolments continued to grow in 2023, with strong demand for places in 2024.

The School's aim continues to be "the most highly regarded independent school in the Region".

Ms Dominique O'Neill  
**Chair of School Council**

## Parents and Friends Association

The year started with the combined Principal's and Parents and Friends Welcome event, which we were pleased to hold on the deck of the new Early Learning Centre. The P&F Committee was proud to have supported the outdoor learning spaces as part of this fantastic new learning facility. The Trivia Night was well-attended as we finished Term 1.

Term 2 was busy with Mother's Day Stalls, Athletics Carnivals and our ever-popular Mother's Day High Tea. I want to thank our Hospitality students for their support at the High Tea. The Golf Day was held in June and is always a great event. The Committee was well supported by parents in the marquee at the Athletics Carnivals as we provided a sausage sizzle and snack stall as students finished the term.

Fathers and special friends were the focus in Term 3 as we conducted Big Boys' Breakfasts at both campuses and ran a Father's Day Stall. These events always draw a crowd and enable meaningful connections between students and parents in the school environment.

Term 4 was a mix of events as we held the popular parents-only Melbourne Cup Day, had nearly 170 students attend the Stage 3 Disco and listen to DJ RB, and found time for some family fun as the Cinema Night rounded out the School's inaugural Wellbeing Week.

Among the friend-raising at all these events, the fundraising was put to good use with \$404,730.77 of funds utilised on projects or committed to future projects to support our students directly.

This included the following completed projects:

- Support for the outdoor learning spaces at the Early Learning Centre
- New outdoor bubblers and combined drink bottle stations in Ngahriyah
- New marquees for the Lindisfarne Lions Netball Club
- Additional staging and choir risers to support school events and performances
- The expansion to the Stephanie Alexander Kitchen Garden at Sunshine Avenue.

The Committee also committed funds to projects that are in their infancy or scheduled for 2024, including:

- Support for the Senior Centre landscaping and outdoor student spaces
- Support for the Sunshine Avenue Music Centre
- Outdoor Table Tennis Tables for Mahers Lane
- The development of an Outdoor Kitchen at Sunshine Avenue.

After five years as President of the Lindisfarne Parents and Friends Association, I tendered my resignation and thank each Committee Member I had the pleasure of working with over those years. I wish Penny Brady well as she starts her tenure as the new President, and I look forward to seeing you all at future Parents and Friends and school gatherings.

Ramesh Sivabalan

**President - Lindisfarne Parents and Friends Association**

## Student Representative Council

Student Representative Council (SRC) members are elected from Years 5 to 12 to represent Stages 3, 4, 5 and 6. School Leaders chair each fortnightly meeting commencing in Week 4 in Term 1. The primary objective of the Student Representative Council (SRC) is to serve as the voice of the student body within the school. Therefore, members must be provided with the opportunity to express concerns, share viewpoints on behalf of students and propose ideas and initiatives. Feedback on student concerns is provided to the student population through House meetings, assemblies, Newsletter items and an SRC Notice Board. Coordination between School Leaders and Senior Executive follows the review of Minutes and action plans are formed.

In 2023, new School Leaders introduced a novel approach to SRC membership, which received approval from the School Executive. This approach involves a significant restructuring of the SRC. Instead of traditional meetings, fortnightly gatherings were transformed into open forums accessible to all students in Years 5 to 12.

This change aimed to encourage broader participation and discussion on a wide range of topics, including both personal and student-related issues. It is expected that this shift will lead to a more diverse array of subjects being addressed and deliberated upon, ultimately facilitating the dissemination of information and fostering beneficial changes for the entire school community.

Students' requests in numerous areas have been implemented. These included asking for the allocation of Colour Awards to include recognition of participation in, and commitment to areas such as Esports and Robotics as well as exploring ways to raise awareness of the Round Square values as part of our school community.

The SRC remains actively engaged in supporting various community initiatives at local and international levels, including Harmony Day, Agape Outreach Centre and the Tweed Women's Refuge. Students also participated in the Vinnies Sleepout project to help raise awareness and funds to make a difference in the lives of those in our community facing homelessness and hardship. Through raising social awareness, the school community is invited to participate in raising funds for worthwhile causes.

The SRC provides leadership opportunities for its' members, enabling them to develop and model responsibility, honesty, reliability and a commitment to ensuring Lindisfarne is a happy and safe place, that embodies our school values: Compassion, Wisdom and Respect.

## About Lindisfarne Anglican Grammar School

Lindisfarne Anglican Grammar School is a high-quality, independent, Anglican, co-educational grammar school that serves the southern Gold Coast, Tweed Coast and northern New South Wales. We seek to provide the distinctive identity, relationships, learning and leadership that support our staff and families to work together to meet our high expectations for the achievement and holistic development of our students in our local, national and international communities.

We achieve this through a balanced learning program that ensures students are given the opportunity to achieve their academic potential while accumulating important life skills. We cultivate learning through relationships, expert teaching, educational research and innovation that focuses on leadership, standards and collaboration.

Families choose to attend Lindisfarne because of its high standards and student outcomes. Parents entrust their children into our community because of the high-quality educational program complemented by a pastoral care program that nurtures personal, social and academic wellbeing supported by the School's values of compassion, wisdom and respect.

At the end of the 2022 school year, our structured academic program has a strong focus on each student's particular strengths and individual abilities. This is supported by a comprehensive co-curricular program that includes a wide range of sports, studies in performing arts and recreational activities. This combination of academic and co-curricular activities, supported by pastoral care, helps our students develop as confident, independent and well-rounded individuals.

## History and Development

Lindisfarne Anglican Grammar School was established in 1981 as a result of initiatives taken by the Rector and Parishioners of St Cuthbert's Church, Tweed Heads. Currently, in its 40th year, the School is part of the broader life of the Church and is active in the region and Diocese of Grafton. The campus at Sunshine Avenue progressively expanded its facilities and 1995 saw the growth into secondary years. In 1996 the Senior School relocated to its permanent site at Mahers Lane, Terranora, with Stage 3, Year 5 and Year 6, joining it in 1997. The Preschool opened at the Sunshine Avenue Campus in 1998. In 2017 an additional 25 acres of adjoining land to the Mahers Lane Campus was purchased and the Salt Boathouse at Kingscliff on Cudgen Creek was acquired as a Marine Studies and Water Sports facility. More recent facilities include our Middle School Building (2022) and Early Learning Centre (2023).

## School Crest

### Crest

Lindisfarne Anglican Grammar School's crest has been carefully designed to reflect our history, our Anglican tradition and our quality education. The crest contains four key elements: the open book, torch, lion and white bands.

### Open Book

The open book symbolises the Lindisfarne Gospels, sacred manuscripts carefully created by the Lindisfarne monks in the late 7th or early 8th century, now housed in the British Library. It sits at the heart of the crest signifying the centrality of the Word of God in a Lindisfarne Anglican Grammar School education. The book is also a symbol of learning and represents the wide range of opportunities available at our school.

### Torch

Located in the bottom left corner of the crest, the burning torch signifies St Aidan who was the founder of the Christian community of the Holy Island of Lindisfarne in 635 AD. The torch represents the light of the Gospel which St Aidan brought both in the form of preaching and teaching. Under his leadership, a centre of learning was established within the Island community. It also represents the hope that, through participation in a broad range of learning experiences and with excellence of teaching, the students who pass through Lindisfarne Anglican Grammar School will become light-bearers to the communities in which they are called to serve.

### Lion

In the bottom right, the rampant lion is included from the crest of St Cuthbert, the famous monk and later Bishop of Lindisfarne. St Cuthbert was known for his devotion to God and his care and concern for his fellow man. The lion was a symbol of his great courage and strength as a servant of God. The rampant lion is depicted facing left to be always ready, as to the right is seen as retreating. It is the aim of Lindisfarne Anglican Grammar School to enable students to become men and women of faith and to stand firm for what is right and true.

### White Bands

The two white bands starting in the top corners and converging into one, represent England's River Tweed and the local Tweed River. They signify the unity of purpose and strength — a concept important in Lindisfarne Anglican Grammar School as we work together.

# Student Attendance and Management of Non-Attendance

In view of the staff's responsibility *in loco parentis*, the following is adhered to:

1. In the event of absence, the school office must be notified either by phone (07 5590 5099) by 8:45am each day, by email to the school administration offices by fax 07 5590 4962 or through Parent Lounge. When the student returns to school, they should bring a note explaining the absence, as required by the NESA regulations. It is expected that students in Years 10, 11 and 12 attend school to meet minimum course requirements. If a student's attendance falls below 85% of the School's programmed lesson time for a course, students may be in danger of not satisfying minimum course requirements.
2. The School holds the view that students are expected to attend school during listed term dates. Parents are asked to cooperate with this requirement and time holidays so as to maximise learning time at school.
3. Students requiring other leave during term time must obtain permission from the Head of Sub School or the Principal by completing the Application for Exemption from School form. A student requiring unavoidable leave or an appointment during class time will report to their Head of Sub School with a note from their parents.
4. Any student arriving after 8:20am (Year 5 to Year 12); 8:45am (Kindergarten to Year 4); 9:00am (Preschool) must collect a late slip from the school office and hand it to the member of staff at the first meeting or lesson attended that day. The school day is disrupted for others if students arrive late for class. The school will take the necessary steps to ensure teaching/learning processes are not affected by consistent lateness.
5. Medical/dental appointments, except in cases of emergency or special need, should be made outside school hours. For exceptions, a parental note is required.
6. If students plan to leave an organised school event eg musical presentations, rehearsals, presentation evenings, sporting fixtures, etc., with parents or other people, parents are required to notify the School in writing 24 hours before the day of the event. This note should be addressed to the convener of the event. If the convener does not receive a note, students will not be able to travel with persons other than parents, or alternate methods of travelling from an event.
7. The School must be notified immediately upon diagnosis, if your child has a disease for which an immunisation vaccine is available or if he/she has a contagious infection eg school sores, head lice, viral bacterial meningitis, COVID-19 etc.
8. Staff will be on duty from 7:50am at the Mahers Lane Campus and 8:15am at the Sunshine Avenue Campus. Students should not arrive at school before this time at the Mahers Lane Campus. Students arriving before 8:15am at the Sunshine Avenue Campus will be taken to Before School Care and charges will apply for the session.

# Enrolment Policy

## AIM

Lindisfarne Anglican Grammar School is a co-educational school catering to students from Preschool/Kindergarten through to Year 12.

Our enrolment framework encompasses the following:

- Lindisfarne is not an academically selective school. Preference for enrolment will be given, but is not limited to, the following order:
  - siblings of students currently enrolled at the School where applications are submitted before 14 February in the year prior to entry;
  - children of past students enrolled at the School;
  - siblings of students previously enrolled at the School;
  - date order in which enrolment applications are received.
- Lindisfarne is an Anglican School with a Christian ethos and welcomes applications from students regardless of their ethnic origin, religious beliefs and chosen future career pathway.
- There are two options available in relation to children entering into the Lindisfarne Preschool Program.

Option one is that children entering Preschool must be 4 years of age by 30 April in the year they are entering the program; these students generally undertake one year of Preschool prior to advancing through to Kindergarten in the following year.

Option two is that children entering Preschool turn 4 years of age (outside of the preferred date of birth range) and instead turn four at any time during the year. These children are enrolled into the Pre-Preschool program (Joey class) and will generally undertake two years of Preschool prior to advancing through to Kindergarten.
- It is an expectation that children enrolled in Preschool will advance through to Kindergarten. Parents of children who do not proceed to Kindergarten are required to comply with the School's withdrawal policy.
- Children entering Kindergarten must be 5 years of age by 30 April in the year they are entering the program.
- During the enrolment process, the School reserves the right to request additional information or assessment (including from previous schools) to ensure the individual learning needs of students can be fully catered for prior to offering an enrolment place.
- Application for enrolment will involve an interview between the School, the student and the parent or guardian prior to offering an enrolment place.
- Failure to disclose relevant information or the provision of false or misleading information during the enrolment process may result in an enrolment being declined.
- The School reserves the right to extend an offer or decline or delay an offer of an enrolment place.
- The School does not hold places for students if the offer of enrolment, the Enrolment Acceptance Fee and accompanying paperwork has not been returned within the 14-day time frame.
- Applications for enrolment for a period of less than two school terms, as a full time student, will be referred to the Principal or delegate for consideration.

- When accepting a place at Lindisfarne Anglican Grammar School parents are giving their agreement to the School's programs, policies, philosophy and practice. To this end, students will be required to be fully involved in the life of the School and its curricular and co-curricular activities.

## Student Withdrawal

Parents or guardians are required to provide one full term's notice of a student's withdrawal from the School in writing to the Principal. Notice must be given prior to the commencement of the student's last term of attendance.

Prior to a student's last day of attendance at Lindisfarne and to comply with government guidelines, parents or guardians are required to provide 'new school' details to the Lindisfarne Enrolments Department. Where the destination of a student below seventeen (17) years of age is unknown, the School will refer this matter to the Department of Education whereby a Communities Officer with home school liaison responsibilities will be notified and provided with details including the student's full name, date of birth, last known address, last date of attendance, the names of parent or guardian and their contact details, an indication (if known) of a possible destination and any other information that may assist such officer to locate the student. Further to this the Department of Education Officer will also be provided with any known work, health and safety risks associated with contacting the parent or guardian of the student.

## Student Population

As at Census date on 4 August 2023, Lindisfarne Anglican Grammar School had a total of 1945 students from P – 12. The students are positioned in the following numbers:

P	=	87
K – 6	=	700
7 – 12	=	1158

There are 959 females, 985 males, and 1 non-binary student in the School. Our students come from a wide range of backgrounds, including a small percentage of children with special needs.

# School Policies

## Policies for Student Welfare

The School seeks to provide a safe and supportive environment which:

- Minimises risk of harm and ensures students feel secure.
- Supports the physical, social, academic, spiritual and emotional development of students.
- Provide student welfare policies and programs that develop a sense of self worth and foster personal development.

The School promotes a learning environment where teachers and students should be mutually supportive. Staff and students should respect each other and not engage in conduct, which undermines the mutual trust and support, and also respects the philosophy and ethics of the School. The School encourages consultation between all members of the school community in matters which affect them.

To ensure that all aspects of the School's mission for providing for a student's welfare are implemented the following policies and procedures are in place:

## **Policies for Student Discipline**

Students are required to abide by the School's rules and to follow the directions of teachers and other people with authority delegated by the School. Where disciplinary action is required, penalties imposed vary according to the nature of the breach of discipline and a student's prior behaviour. Corporal punishment is not permitted under any circumstances. All disciplinary action that may result in any sanction against the student including suspension or expulsion provides processes based on procedural fairness.

These policies include:

- Student Code of Conduct
- Grievances Policy - Students

These policies should be read in conjunction with:

- Codes of Conduct policies
- Pastoral Care policies

The full text or appropriate outlines of the various school's discipline policies and associated procedures are provided to members of the school community through:

- The Parent and Student Guide
- School Intranet (for staff)
- [School Website](#) (for the community)

Copies are available on request.

The School's discipline policies and procedures are part of the annual review of Pastoral Care and Code of Conduct in the School. The behaviour management policies contain processes based on procedural fairness.

## Marketing and Communication

Strong enrolment growth continued with record enrolments being reached during 2023, the eighth straight year of enrolment growth. Parent referral was high, driven by strong parent satisfaction and support for the direction of the School. Enrolment growth was further fuelled by the regional growth in the area and the continued expansion of the southern school bus routes to meet demand.

The School publishes a weekly whole-school newsletter enabling parents to access important information about current events, highlighting student achievement and also provides further information about the School's plans and future directions. These regular communication channels were even more important as parents were limited in their ability to visit the campuses.

In 2023 SEQTA was implemented as a Learning Management tool which gave parents greater access to academic information and results, pertaining to their child's education.

The focus remained on providing high-quality events and opportunities for parents to re-engage with the School as we continued to build momentum following the pandemic. The expansion of the ParentEd program was a significant boost and led to very positive outcomes for our parent community.

Enrolments for 2024 and 2025 are expected to again increase as our smaller senior cohorts depart and our now standard two class intakes at both Year 5 and Year 7 continue. Projected enrolments for students in 2024 is 2,070 and increasing to 2,179 in 2025 when we reach full enrolment.

## Initiatives Promoting Respect and Responsibility

As part of our Student Management Plan (SMP) the School promotes respect and responsibility as a key value within the context of an Anglican school. The SMP was reviewed again in 2016 which rearticulates the rights and responsibilities of students, the rights and responsibilities of teachers, and these protocols direct student and teacher conduct towards these key values. The SMP sets out clearly our expectations, particularly in the way students relate to and behave towards each other. These explicit expectations enable students to make decisions based on choices and to understand the positive consequences that follow from appropriate decisions, and the negative consequences that result from choices where respect and responsibility are not evident. A process of student reflection also takes place to help students learn from the experience of appropriate and inappropriate decision making, the core of which is based around respect for their peers and their teachers.

The vertical House System initiated in 2012 continues to be refined and the pastoral benefits of students relating in a Year 9 to 12 environment are evident. A horizontal pastoral system for Middle School, implemented in 2018, provides age and stage appropriate pastoral care and support programs for Middle School students in a proactive and responsive manner.

## Parent, Student and Teacher Satisfaction

The School has a policy of open communication and is committed to involving parents in the wider life of the school community. This was evidenced in the significant consultation that occurred as part of the development of the Strategic Intent, giving all in our community a voice in the direction of our school.

The School has an active Parents and Friends Association which was renewed by the stability of the appointment of a highly-regarded Principal to lead the School in the coming years. The increased level of parental activity across the whole school is a good indication of parental satisfaction. The significant decline in enrolments departing Lindisfarne to go to another school in the region is further support of the current level of positive parent satisfaction.

The School publishes a weekly whole-school newsletter enabling parents to access important information about current events, levels of student achievement indicated through the national testing programs, and also further information about the School's plans and future directions. The School has a comprehensive and interactive website allowing parents and students to access important information and has also worked significantly to engage the community through social media.

The School has an active Pastoral Care program involving students in Years 5 to 12 to integrate during their scheduled pastoral care classes for Senior School and homeroom classes for Middle School. This program is directed towards building and maintaining positive and respectful relationships in support of the School's values of compassion, wisdom and respect. Regular feedback from student surveys regarding student wellbeing and mental health indicates our student levels of wellbeing are comparatively high. The School's open communication policy ensures that parents are keenly involved in issues of welfare and pastoral care that affect their sons and daughters.

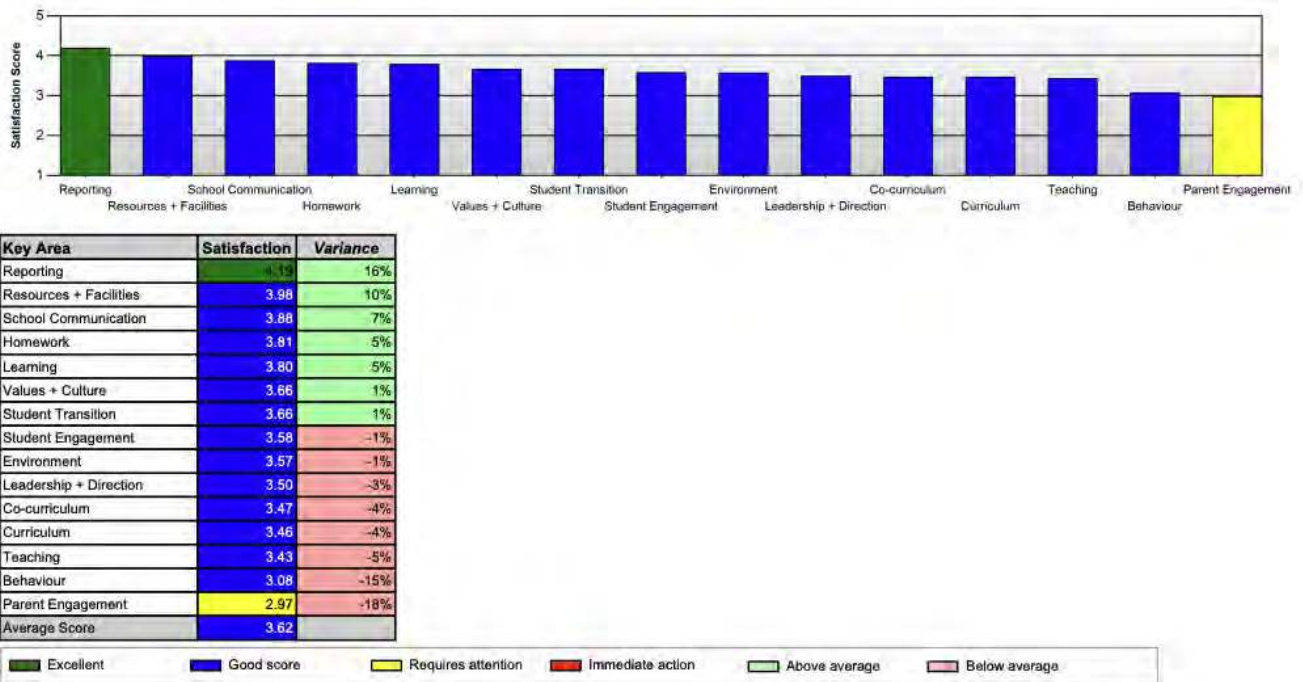

Feedback from executive staff, directors of faculty and other members of staff as part of the Strategic Intent focus groups suggest that teachers enjoy working in the School, they value involvement and positive relationships with students and they appreciated the opportunity to give their input into the future direction of all aspects of the School's future.
